**RULES OF PROFESSIONAL CONDUCT
OF
FLORIDA STATE BOARD OF ACCOUNTANCY**

CHAPTER 1

RELATIONS WITH CLIENTS AND PUBLIC

- 20-1.01 Independence
- 20-1.02 Discreditable Acts
- 20-1.03 Confidential Relationships
- 20-1.04 Contingent Fees
- 20-1.05 Fraud
- 20-1.06 Former Government Employees
- 20-1.07 Action by Another State
- 20-1.08 Employing Felons, Etc.

20-1.01 Independence

(1) A Certified Public Accountant or Public Accountant or a firm of which he is a partner shall not express an opinion on financial statements of any enterprise unless he and his firm are in fact independent with respect to such enterprise.

(2) Independence is not susceptible of precise definition, but is an expression of the professional integrity of the individual. A Certified Public Accountant or Public Accountant, before expressing his opinion on financial statements, has the responsibility of assessing his relationships with an enterprise to determine whether, in the circumstances, he might expect his opinion to be considered independent, objective and unbiased by one who had knowledge of all the facts.

(3) A Certified Public Accountant or Public Accountant will be considered not independent, for example, with respect to any enterprise if he, or one of his partners, (a) during the period of his professional engagement or at the time of expressing his opinion, had, or was committed to acquire, any direct financial interest or material indirect financial interest in the enterprise, or (b) during the period of his professional engagement, at the time of expressing his opinion or during the period covered by the financial statements, was connected with the enterprise as a promoter, underwriter, voting trustee, director, officer or key employee. In cases where a Certified Public Accountant or Public Accountant ceases to be the independent accountant for an enterprise and is subsequently called upon to re-express a previously expressed opinion on financial statements, the phrase "at the time of expressing his opinion" refers only to the time at which the Certified Public Accountant or Public Accountant first expressed his opinion on the financial statements in question. The word "Director" is not intended to apply to a connection in such a capacity with a charitable, religious, civic or other similar type of non-profit organization when the duties performed in such a capacity are such as to make it clear that the Certified Public Accountant or Public Accountant can express an independent opinion on the financial statements. The example cited in this paragraph, or circumstances under which a Certified Public Accountant or Public Accountant will be considered not independent, is not intended to be all-inclusive.

20-1.02 Discreditable Acts

A Certified Public Accountant or Public Accountant shall not commit an act discreditable to the profession.

20-1.03 Confidential Relationships

A Certified Public Accountant or Public Accountant shall not violate the confidential relationship between himself and his client.

20-1.04 Contingent Fees

Professional service shall not be rendered or offered for a fee which shall be contingent upon the findings or results of such service. This rule does not apply to cases involving federal, state, or other taxes, in which the findings are those of the tax authorities and not those of the accountant. Fees to be fixed by courts or other public authorities, which are therefore of an indeterminate amount at the time when an engagement is undertaken, are not regarded as contingent fees within the meaning of this rule.

20-1.05 Fraud

Any Certified Public Accountant or Public Accountant who has been found guilty of fraud or an attempt to defraud by any court or commission, committee or other tribunal established by law, is deemed guilty of unethical practice.

20-1.06 Former Government Employees

Any Certified Public Accountant or Public Accountant who accepts or takes part in any engagement, either on his or her own account, or as a member of a partnership or other organization, or as the employee of a Certified Public Accountant or Public Accountant involving any matters which give rise to a conflict of interests, with which the said Certified Public Accountant or Public Accountant has had prior contact as an employee of the United States Government or Political Subdivision thereof, is deemed guilty of unethical practice.

20-1.07 Action by Another State

In case of suspension and/or revocation of a certificate as Certified Public Accountant or Chartered Accountant issued by another State or Political Subdivision of The United States, or by a Foreign Country, which certificate was used by this Board as the basis for issuance of a reciprocal certificate, such suspension and/or revocation shall be held as prima facie evidence of unethical conduct on the part of the holder of the certificate.

20-1.08 Employing Felons, etc.

Any Certified Public Accountant or Public Accountant who knowingly hires anyone or has anyone in his employ who has had his certificate revoked by the State Board of Accountancy, or has been disbarred by the Treasury Department or has been convicted of a felony and has not been restored to his civil rights, is guilty of unethical practice.

CHAPTER 2

TECHNICAL STANDARDS

20-2.01 Examination of Financial Statements

20-2.02 Content and Basis of Opinion

20-2.03 Expressing or Disclaiming Opinions

20-2.04 Estimates of Earnings

20-2.01 Examination of Financial Statements

A Certified Public Accountant or Public Accountant shall not express his opinion on financial statements unless they have been examined by him, or by a member

or employee of his firm on a basis consistent with the requirements of Rule 20-2.02. In obtaining sufficient information to warrant expressions of an opinion he may rely, in part, to the extent appropriate in the circumstances, on reports or other evidence of auditing work performed by another person who is licensed to practice as a Certified Public Accountant in a state or territory of the United States, or the District of Columbia, or as a Public Accountant in Florida, or performed by a firm at least one member of which is so licensed. In relying on the work of independent Public Accountants in foreign countries, the Certified Public Accountant or Public Accountant so relying must satisfy himself that the person or firm is qualified (and properly licensed where applicable) and that such work is performed in accordance with generally accepted auditing standards prevailing in this country.

20-2.02 Content and Basis of Opinion

In expressing an opinion on representations in financial statements which he has examined, a Certified Public Accountant or Public Accountant shall be held guilty of unethical practice, if:

- (a) he fails to disclose a material fact known to him which is not disclosed in the financial statements but disclosure of which is necessary to make the financial statements not misleading; or
- (b) he fails to report any material misstatement known to him to appear in the financial statements; or
- (c) he is materially negligent in the conduct of his examination or in making his report thereon; or
- (d) he fails to acquire sufficient information to warrant expression of an opinion, or his exceptions are sufficiently material to negative the expression of an opinion; or
- (e) he fails to direct attention to any material departure from generally accepted accounting principles or to disclose any material omission of generally accepted auditing procedure applicable in the circumstances.

20-2.03 Expressing or Disclaiming Opinions

A Certified Public Accountant or Public Accountant shall not permit his name to be associated with statements purporting to show financial position or results of operations in such a manner as to imply that he is acting as an independent public accountant unless he shall:

- (a) express an unqualified opinion; or
- (b) express a qualified opinion; or
- (c) disclaim an opinion on the statements taken as a whole and indicate clearly his reasons therefor; or
- (d) when unaudited financial statements are presented on his stationery without his comments, disclose prominently on each page of the financial statements that they were not audited.

20-2.04 Estimates of Earnings

A Certified Public Accountant or Public Accountant shall not permit his name to be used in conjunction with an estimate of earnings contingent upon future transactions in a manner which may lead to the belief that the Certified Public Accountant or Public Accountant vouches for the accuracy of the forecast.

CHAPTER 3

PROMOTIONAL PRACTICES

- 20-3.01 Advertising
- 20-3.02 Solicitation
- 20-3.03 Bidding
- 20-3.04 Commissions, Etc.

20-3.01 Advertising

(1) A Certified Public Accountant or Public Accountant shall not advertise his professional attainments or services.

(2) Publication in a newspaper, magazine or similar medium of an announcement or what is technically known as a card is prohibited.

(3) A listing in a directory is restricted to the name, title, address and telephone number of the person or firm, and it shall not appear in a box, or other form of display or in a type or style which differentiates it from other listings in the same directory. Listing of the same name in more than one place in a classified directory is prohibited.

20-3.02 Solicitation

A Certified Public Accountant or Public Accountant shall not directly or indirectly solicit clients by circulars or advertisements, nor by personal communication or interview or otherwise.

20-3.03 Bidding

A Certified Public Accountant or Public Accountant shall not make a competitive bid for a professional engagement. Competitive bidding for public accounting services is not in the public interest, is a form of solicitation, and is unprofessional. Provided, however, that if the charter of a municipality as at June 13, 1956 contains a specific requirement that public accounting services be engaged only as the result of competitive bids, then the prohibition stated in this rule shall not apply to public accounting services performed for such municipality as long as the municipal charter in question contains such provision, provided there is full compliance with the procedure required in the following sentence. At the time of submitting a competitive bid or proposal to such municipality as described in the preceding sentence, the Certified Public Accountant or Public Accountant or firm thereof shall notify the Board that a bid has been submitted to such municipality, and if such bid has been made on the basis of specifications for the services to be performed, a copy of the specifications shall be transmitted to the Board with such notification.

20-3.04 Commissions, etc.

Commissions, brokerage, or other participation in the fees or profits of professional work shall not be allowed directly or indirectly to the laity by a Certified Public Accountant or Public Accountant.

Commissions, brokerage, or other participation in the fees, charges, or profits of work recommended or turned over to the laity as incident to services for clients shall not be accepted directly or indirectly by a Certified Public Accountant or Public Accountant.

Direct or indirect offer of employment shall not be made by a Certified Public Accountant or Public Accountant to an employee of another Certified Public Accountant or Public Accountant without first informing such Accountant.
